

Slab Bar Stool

Made from solid oak with a heavily lacquered surface finish. The exposed cast iron foot rest reinforces the structure of the stool, creating a durable and hard wearing design. Available in black and natural.

Process	Made from solid oak, brushed to remove the softer parts of the wood leaving a very resistant surface which is clear lacquered or black pigmented. The visible natural grain of the wood exposes the character of the material.

Cleaning instructions	The wood is treated with a matt lacquer. The product can be cleaned with a damp cloth as required. Avoid putting hot items directly onto the surface. Sunlight may cause discoloration of the timber over a period of time. A good quality polish should be used to remove marks and small scratches and to bring out the shine off the bench (only on natural oak version).
