THE MORE THE MERRIER CANDLESTICK

FURNITURE / LIGHTING / ACCESSORIES

Louise Campbell on the design "A candlestick that is everything but streamlined. As the saying goes: the more elements you join together, the merrier the result. Can be constructed in infinite ways. The design is a blend of the formal and the informal. Assembly can be conducted with a sense of meticulous symmetry, or with complete chaos, as you wish. Using 4, 7, 14, 27, 77, 189... elements, according to desire."

PROCESS

The candlestick is made from high pressure casted plastic, with molded rubber to create of a soft surface. Steel connectors are made by machine and hand painted.
